

Alphabet

Overview

Alphabet is a compact fixture, equipped with a 200mW red laser, a 80mW green laser and a 150mW blue laser. Designed for small/medium-scale venues, **Alphabet** is ideal for all applications requiring writing, because of its included USB keyboard. With 16 built-in laser patterns & 7 color macros, **Alphabet** is also controllable via mobile devices thanks to the TS Alphabet application. Write freely and control all parameters without limitations.
