

Neutronic

Overview

Neutronic is a blinder effect powered by an included 3000W Xenon lamp. The unit provides 1-30 flashes per second at 5600K color temperature and comes with special pre-programmed effects. **Neutronic** is designed to give you great flexibility with its 3 operational modes (DMX-512, Stand Alone, Master/Slave) and its quiet temperature-controlled fan prevents the unit from overheating.

Specifications
