

BrioTEC 3W

Overview

BrioTEC 3W is a 4-way LED effect powered by 4 x 3W RGBW LEDs that provides a unique lighting effect in a light and compact design. **BrioTEC 3W** is completely sound-active with a convenient sensitivity control.

Specifications

Source & Optics

Light source: 4 x RGBW (1R, 1B, 1G, 1W) 3W LEDs
LEDs life: 50,000 hours

Effects & Functions

Various lighting patterns
Strobe effect

Huge beam coverage

Control

Operational modes: Sound-active

Electrical

Input voltage range: AC 100–240V,
50–60Hz

Power consumption: 15W

Physical

Built-in microphone
Sound sensitivity control
Dimensions: 461x161x191 mm. /
18.1x6.3x7.5 in.
Weight: 1.2 Kg. / 2.6 Lbs.
